

On Sunday we heard the third in the series on the supremacy of Christ. We looked at the first three verses of Hebrews where the writer sought to focus the readers' vision upon Jesus. The entire theme of the book of Hebrews is summed up in the verses "fix your thoughts on Jesus" (3:1) and "let us fix our eyes on Jesus" (12:2)

In these three verses the writer presents eight amazing truths about Jesus which, though they appear deeply theological, are immensely valuable to build the faith of any believer. They range from his divinity and his destiny to his once-for-all sacrifice which has cleansed us from the stain of our sins.

Meditation on these truths will help every believer enthrone Jesus Christ as their Lord and King! Jesus truly is magnificent and majestic, the unmatched and unequalled King of Heaven and Saviour of our souls. Let's make Him Lord and follow Him as our Lord throughout this week!
