

This is the second of the series on the supremacy of Christ. This time we looked at John 1 and saw how John takes us right back into eternity to begin the story. This is quite different from the other three gospels, as Mark starts with Jesus' ministry when he was 30 years old, Matthew begins with Abraham and Luke goes back to Adam.

This is a very complex and heavily theological chapter but the great truths of Christ's eternity, his divinity, and his incarnation, God becoming a man for us, are essential truths that every Christian should both comprehend and give thanks for!
